4. DIPLOMA IN FENG SHUI ASTROLOGY (DIF) (DURATION- 6 MONTHS)

Feng Shui is an ancient Chinese art of placement which channelizes energy of the 5 elements, heaven(kan) and earth (yu) for the benefits of human beings. Feng Shui is based on Universal laws like gravitation of earth, earth's movements, its tilt on its axis, etc. due to which Feng Shui can be applied Universally be it India, China, America, Africa, Australia or any other country or continent. Feng Shui aims at creating auspicious and positive environment with simple symbolic cures and placement as it does not recommend heavy structural changes in property. Due to this reason Feng Shui has been developed as a much cheaper, effective and easy to apply alternative of Vastu Shastra. Today many Vastu experts are using Feng Shui cures for remedy of properties.

Architects, Interior Designers, Engineers, Astrologers and many other technicians world over are applying rules of Feng Shui to make their work more effective and beneficial for their clients. Feng Shui works not only in homes but it also helps to generate positive results of nature's energy at factories, offices, schools, hospitals, godowns, shops etc.
